Arts Education Connection San Diego

We're officially two weeks into our March fundraiser with Ponce's Mexican Restaurant, and we're so grateful to everyone who has already stopped by to support Arts Education Connection San Diego.

March is a meaningful month for us. It's both California Arts in Education Month and Women's History Month, and as a women-led organization with more than 60 years of impact, we're proud to continue bringing the joy and power of the arts to students and communities across San Diego County.

When you visit Ponce's this month, be sure to order the specialty fundraiser margarita — a portion of the proceeds will support arts education programs across our region. Alcoholic, non-alcoholic, and to-go options are available, so everyone can join in!

We're also excited to share an [interview](#) with our Executive Director, Adrienne Valencia, who discusses the importance of arts education and the work AECSD is doing throughout our community.

How You Can Help:

- 🍹 Order the fundraiser margarita at Ponce's this month (Closed on Sundays)
- 🗣️ Share the fundraiser with friends and family
- 🎨 Help us continue bringing arts education to students across San Diego County

Every sip helps bring the arts to more students.

Thank you for being part of our creative community.
